KEY	SCORE	
	95-100	One of a kind
	90-94	Exceptional
	85-89	Very Good
	80-84	Good
	70-79	Mediocre
	> 70	Flawed

SYMBOL	
H	Hold
DH	Drink or Hold
D	Drink
P	Past Prime
PR	Preliminary**

\*\*Based on harvest reports, producer input and barrel samples

**DESCRIPTION**  
 Vintage charts should be used as a general guideline for purchasing and consuming wine. Although not all vintners produce the same results, the list compiles an overall average score for each region and identifies whether or not a wine is drinkable based on the varietal, region & year it was produced.
